

Reflect to Protect

Ordering Reflective Address Signs

23450

The Mendocino County Fire Safe Council is coordinating the production of green reflective address signs, two sided, to be posted so they can be read from either direction for emergency preparedness. The reflective signs allow emergency responders to see the address at night and in smoky conditions.

- Suggested donation of \$20 per sign
- Make checks out to “MCFSC” and send to:

MCFSC
410 Jones St., Suite C-3
Ukiah, CA 95482

Please include your **name**, **phone number** and your **street number** (up to 5 numbers per sign). When a minimum of 10 orders are received, MCFSC will process the order—and will contact you for pick up!

BE PREPARED FOR WILDFIRE!
