VI. DISCUSSION ITEMS
   6-1 Board of Directors – Personnel Discretionary Fund
   Megan provided a brief background of this topic, confirming that the Board is responsible for the overall budget. However, in order for a discretionary fund to be created for the Board (to use towards Executive Director raises or staff bonuses), it will need to be listed as a line item in the personnel budget category. This individual line item control could exceed appropriate Board authority. Since this is a budget topic, it does not fall within the guidelines of a closed session under Brown Act regulations.
   Lisa would like to discuss the amount and how to approach this topic, possibly at the May or June Board meeting.
   Cathy suggested including a set-aside line item in the budget for COVID-19 impacts.
   John asked about the budgeting process and how it gets developed.
   Lisa asked John to participate in the budget development process.
6-2 Strategic Planning Day – Programs 3-minute Updates  
Operations, Soil, Forestry, Water, Land Stewardship

6-3 Policy: Safe operating procedures for office scheduling and field work – Megan  
ACTION: Lisa asked to change “policy” to “protocol.”  
ACTION: Post a sign on Ukiah office door notifying public that staff is working from home.

6-4 Oak Woodland Protection Ordinance Sub-committee update  
The sub-committee met and decided that a letter needs to be drafted and sent to the County Planning Commission. Mary will write the first draft for the sub-committee. There is no urgency or deadline for this topic due to the COVID-19 pandemic.  
Jen Riddell suggested that this oak protection topic is better suited for an amendment to the County General Plan instead of as an ordinance.

6-5 Update on beaver activity in Little Lake Valley  
Presentation by Jake Stubberfield

6-6 Earth Day Update: Deborah and Katy  
Litter Pick-up Challenge  
Facebook posts
